

Clear Performance

BY HERITAGE™

Innovation in can liners that secures, identifies and saves.

When the job at hand requires transparency and strength, Clear Performance Can Liners by Heritage are the professional's choice. This product line was developed for applications that demand visibility, security, and durability in refuse management.

KEY FEATURES

Engineered and manufactured with Higher Alpha Olefin (HAO) resins and available in AccuFit sizes, Clear Performance can liners provide a cost effective solution without compromising quality.

- Contents are clearly visible, to reduce loss of valuable items and prevent theft
- High performance standards for dart impact and tear test specifications
- Star sealed for optimal performance with dry / wet load capacity
- High clarity supports recycling and waste sorting programs
- Right sizing and snap fit utilizes entire liner maximizing savings and source reduction

Ideal for use in: Healthcare, Schools, QSR, Food Courts, Gaming, Financial Institutions, Manufacturing, and Correctional Facilities

No wasted plastic—contributing to source reduction and savings
